Accessing Your Resources

All eBooks (including textbooks) are accessed through our Educational Ebooks platform. You do not need to activate any codes from inside textbooks, we handle this for you. Log in details will be provided to your student before the start of Term 1.

Don't worry if your student doesn't have their school email address yet, we ensure everything is set up once we receive their details from the school.

Any products marked (Fee Only) on the booklist are provided directly by the school at the start of Term 1. Lilydale Books does not distribute these products
