

# Semester 2 Assessment Calendar

The following calendar is provided as a guide for students and families to support students to successfully complete and submit required assessment items in Term 3 and Term 4, 2024.

Further details about all assessment tasks will be posted by teachers on COMPASS as Learning Tasks, including specific submission dates for each assessment.

## Support for students

In addition to support from their regular classroom teacher, catch up sessions will be conducted and further details published in the coming weeks.
