

Expectation Matrix

In our classrooms

In our school

In our community

I encourage others to bring out their best.

I am inclusive and respectful in how I speak and how I act.

I positively acknowledge the achievements of others.

I take care of others.

I take care of our school spaces.

I seek support from trusted people when needed.

I represent my school in a positive manner to the broader community.

I encourage my family to participate in school activities and events.

I respectfully ask questions to understand and grow.

I adopt a growth mindset towards my learning.

I get involved in school activities and opportunities.

I will attempt new and challenging extra-curricula opportunities.

I attempt every task to the best of my ability.

I seek support to break up my goals into achievable parts.

I come to school ready to learn.

I celebrate the growth and success of my peers, my school and community.

I showcase my achievements and the achievements of my school with pride.
