and inclusive school community that supports each student on their learning journey to a pathway through and beyond school. We foster strong connections with community to ensure today's learners can thrive as generous, active and informed citizens.

MISSION

We're on a mission to provide the best education we can for our students by delivering high impact, evidence-based practices in learning and wellbeing, within a culture of high expectations for success. Healthy, happy and curious students and staff bring our vision and values to life.

MOTTO

Walcom Ngarrwa Secondary College's Motto is ***Building Bright Futures***.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

Walcom Ngarrwa Secondary College's values are Achievement, Belonging and Curiosity.

- **Achievement** – We are committed to achieving our personal best in all that we do. Achievement means that students maintain a focus on their learning, improving their skills and knowledge and achieving their personal best. Achievement and feeling a sense of accomplishment supports both student learning and wellbeing.
- **Belonging** – Developing a sense of belonging is pivotal to the success of our students as they build connections and community. Belonging not only links our students with our College and to each other, it also equips them with the skills to be successful community members and leaders of tomorrow.
- **Curiosity** – A curious mind knows no limits and it is with this in mind that we support all students to develop the value of curiosity in their learning and throughout their experiences across the College. Curiosity and motivation to learn are powerful predictors of student success, in addition to being associated with happiness, health, longevity, and positive social relationships.
